VINCI

KNOWING LEONARDO DA VINCI

In Vinci, where Leonardo was born and where he drew early inspiration for his studies and paintings, the Leonardo Museum presents one of the most extensive and most original collections

devoted to the multiple interests of Leonardo the technologist, the architect, the man of science and, more generally, to the History of Renaissance technics.

The museum route, spread over two adjacent buildings: the Palazzina Uzielli and the Conti Guidi Castle, presents its machines and models accompanied by specific references to the artist's sketches and handwritten notes, which are also supplemented by digital animations and interactive applications.

Opening times:
